

Do not use these maps for hiking. Purchase trail maps at visitor centers. Not all trails are shown, not all trails are maintained, and trail conditions vary.

Advisory: Park roads are steep, narrow, and winding. Use caution.
Vehicle-length restrictions are in place. See Driving Map at left or www.nps.gov/seeki.

Mount Whitney Zone: Special permits are required for any visitors to the summit area between Lone Pine Lake and Gular Lake. Inquire where permits are issued.
